

## Be In The Know – October, 2024

### Time to Celebrate International Credit Union Week

Goals are dreams with deadlines and credit unions everywhere are in the business of helping their members achieve them. International Credit Union Day has been celebrated on the third Thursday of October since 1948 to highlight the spirit of the worldwide credit union movement. Join us the week of October 14<sup>th</sup> thru 18<sup>th</sup> to celebrate the difference credit unions can make in improving the quality of life for members everywhere.

Whether you're yearning for a new car or truck, sending your kids off to college, or financially securing your golden years, your credit union can help make it happen. As a member-owned, financial cooperative, we exist only to serve you and to help make your dreams come true.

As a token of our appreciation for your membership, loyalty and friendship, we have a little gift for each member who stops by the Credit Union office the week of October 14<sup>th</sup> through 18<sup>th</sup>, 2024 (one per member/while supplies last).

### Christmas Club Members Party!

All current Christmas Club members and any new Christmas Club members who sign up to be a part of Christmas Club 2024-2025, are invited to share in the festivities. All other guests will need a ticket which may be purchased in advance or at the door for \$5.00. Children 12 and under are free.

The party will be on Thursday, **November 7, 2024**, in the Skyline Medical Center auditoriums from 2:00 pm until 4:30 pm. Current members, the deadline for transactions and changes involving your existing account will be October 31, 2024. If there is to be no change in your deductions, it is not necessary to re-designate or re-sign. Santa hopes to see you there!!!

### Thank You Vets!

November 11<sup>th</sup> is the day set aside to honor our veterans, but every day is a good day to thank our veterans for their service. Our men and women in uniform make it possible for us to enjoy our freedom 12/25/1939 and way of life, and for that, we owe them a debt of gratitude. We also need to thank our veterans' families who sacrifice so much while their loved ones are protecting our freedom.

Whether they have served their country honorably during war or peacetime, our veterans are our heroes. Make it a point to thank your friends and family members for their service. And when you spot someone in uniform or wearing a baseball cap or jacket identifying a branch of service, be sure to extend your gratitude and best wishes.

## Update Your Information

Please remember to keep your contact information updated with the credit union: Addresses and Phone numbers. Also, it is a very good idea to check your Beneficiary information to make sure that who we have on file is the correct Beneficiary you would like on your account. This is very important to keep updated, because of life changes; divorce, deaths, additional children, marriage, etc.

**THE LAST WORD:** The happiest people don't necessarily have the best of everything; they just make the most of everything that comes their way.
