School's Coming! Need A Loan?

While summer's sunny days are still here, "back to school" has a way of sneaking up on us. Backpacks and pencils seem to take the place of swimsuits and flip flops more quickly, each year.

Kids dread back to school season because it means the end of fun in the sun, but for their parents it means parting with a hefty chunk of change. With supply lists growing and evolving with the times, families are spending upwards of \$700 annually during what has become the second busiest shopping season of the year!

We know that inevitably summer will end and school is coming, so why not plan ahead, and eliminate the financial stress of back to school shopping with a low-rate, flexible Skyline Credit Union Back To School Loan?

Please always remember to notify the credit union of any address changes, so you will receive your credit union mail at your correct location. It is something all of us do not wish to think about, but checking your information to ensure it's as you wish, can prevent problems in the future. An example, if you divorce and your now ex is still listed as your beneficiary and you have a new spouse. This would not be good.
