Credit Union Vehicle Loan May Lower Your Rate

Everyone deserves a second chance. So if you financed your vehicle elsewhere, we'd like to see if we can lower your interest rate with a credit union loan. Or maybe you want to shorten the term in order to pay off your loan earlier, or lengthen it to lower your monthly payments. We want to help you with a loan that fits you like your driving gloves. Contact the credit union to find out just how easy refinancing can be.

And if you're in the market for new wheels, stop by the credit union for a pre-approval. That way you can shop like a cash buyer, getting the vehicle you want. Remember, special financing offers often only apply to less-popular models and "not all buyers will qualify." That means only those with pristine credit are eligible. At the credit union, we'll work with you to put you in the driver's seat.

Make Vacation Affordable With Your Credit Union Loan

Nothing kills a post-vacation buzz faster than the arrival of your credit card bill that you know you can't pay off. This year, use a vacation loan from the credit union to finance your fun. You can still use a credit card, but rather than carrying a balance at a high-interest rate, use your vacation loan funds to pay it off by the due date. Start by setting up a spending plan for your travel and entertainment expenses. Planning ahead also can save you money: Use websites such as kayak.com, expedia.com, retailmenot.com and others to search for bargains. Remember, not all airlines or hotels will be listed there, so check those individual websites as well. Once you've determined your budget, contact the credit union about your vacation loan. Then relax and enjoy your time off knowing that you've got your vacation covered.

Discount Amusement Park Tickets!!! We have discount tickets again this year, for Nashville

Shores and Nashville Tree Top Adventures amusement parks, for sale in the credit union. So, for your fun time adventures, check with us for your tickets! For Holiday World please call us for a username and password for a special discount when you order online.

TRAVEL CARDS AND GIFT CARDS

Don't forget the credit union has Visa Travel Cards available for your vacation use. They don't have to be used strictly for vacation, they are great for a safer way to shop online, to give your child spending money on a school trip or while away at college.

We also have Visa Gift Cards for those hard to shop for people, last minute gifts, or teenagers who want to shop for themselves.

Take The Stress Out Of Back To School

While the summer is just getting started, we all know how time flies when you're having fun in the sun! One day you're relaxing poolside and the next you're prepping for the first day of school.

While returning to the classroom can be emotional for kids, it can be a financial obstacle for many parents, as back to school requirements and lists seem to get more complicated and longer each year. From binders and backpacks to computers and clothes, families on average will spend just under \$700 on back to school supplies, according to the National Retail Federation. That's a small fortune!

One way to ease the transition from summer vacation to school days, and take the stress out of back to school shopping is with a low-rate, Back to School Loan. Funds from your loan can go toward any or all of the following:

* School supplies (pencils, notebooks, etc.) * Laptops, PCs, or Tablets
* Clothing or school uniforms * College textbooks * Dorm room gear * Anything else
to send your student to the head of the class!

Why not take the stress out of back to school expenses so you and your family can enjoy every precious sun-drenched moment of summer? Apply today for an affordable Back to School Loan. Just call us 615-345-3471, or stop in to see us.
