

Be In The Know – January, 2026

60th ANNIVERSARY!!!

2026 Annual Meeting!!! Please come help us celebrate our 60th year of serving our members at our Annual Meeting.

DATES: March 9th thru 13th, 2026

PLACE: In the Credit Union Office

TIME: March 9th thru 12th - 8am till 4pm & March 13th - 7am till 4pm

Yes, it's time for our Annual Meeting, and this one is going to be **SPARKLING!** The credit union's 60th **Anniversary!** Please stop by anytime during that week and join in the festivities. It only takes about 10 minutes – register for Door Prizes (**special prizes** this year to celebrate our **Diamond Anniversary!**), spin the wheel to win prizes, get a refreshment, vote for Board members, and see how the credit union fared in 2026. We've made it a weeklong event, making it easier for you to attend in case of nasty weather, you work offsite, or you can't get away from your job on one particular day.

As a member/owner of the credit union, you're a shareholder. That's one of the key differences between your credit union and the bank down the street. The bank has stockholders and exists to make them a profit. As a non-profit financial cooperative, your credit union exists to serve you. The annual meeting is a credit union tradition, we hope you will be able to participate.

THANK YOU MEMBERS!

As we close the books on 2025 and look forward to 2026, we would be remiss if we didn't take a moment to say, "Thank You Members!" We truly appreciate you being a part of our credit union family. Without our valued member/owner, we would not exist. As a financial cooperative, your credit union relies on savers to provide the funds for borrowers, which creates income to operate. When you participate (12/09/1975) in all the benefits of belonging, you help make the credit union stronger. Thank you for being a member, and for your business. We wish you a prosperous, happy, and healthy 2026.

Skyline Credit Union employees will make every effort to keep the credit union operating during the winter weather. However, for the safety of our employees, we will follow the government offices for the State of Tennessee snow closings. If the State offices are closed due to dangerous weather conditions, then Skyline Credit Union will be closed. We thank you for your understanding and consideration for the safety of our employees, if we open late, close early, or are closed. We hope everyone has safe travels during the winter season.

THE LAST WORD:

The happiest people don't necessarily have the best of everything; they just make the most of everything that comes their way.
