

Be In The Know – October, 2025

Happy International Credit Union Day

It's time to celebrate International Credit Union Day! Thursday, October 16th, marks the anniversary of the global recognition of credit unions and their unique place in the financial arena. The credit union is where you belong. It exists to benefit you because you are a member-owner. That means any profits are returned to you in the form of better rates and improved services. Because your credit union is a financial cooperative, you can trust the credit union is on your side, not that of a few shareholders who are only interested in the bottom line.

As a token of our appreciation for your membership, loyalty and friendship, we have a little gift for each member who stops by the Credit Union office the week of October 13 through 17, 2025. (One per member/while supplies last.)

Christmas Club Festivities Update

We are changing the Christmas Club Party celebration this year due to several unforeseen circumstances. The Christmas Club checks will start being handed out in the Credit Union on November 6th. The Credit Union will be decorated for the merriment, and for members picking up their checks on November 6th or 7th in the Credit Union, you will receive a treat bag with some delectables in it and your handmade ornament (while supplies last).

Thanking Our Credit Union Volunteers

"One of the greatest gifts you can give is your time." At Skyline Credit Union we realize the truth in this sentiment when we reflect on the important role of our volunteers. Without the hard work of these dedicated men and women, our credit union would not be the successful financial institution that we have all come to know and love.

Whether fulfilling roles on the Board of Directors, Supervisory Committee, Education Committee, or elsewhere within Skyline Credit Union, all of our volunteers are vital and invaluable. 09/13/1964 Despite being busy with their own lives and families, our volunteers give their time, knowledge, and skills to maintain the quality of our credit union, in turn bettering the lives of our members and furthering the global credit union movement.

Please take this opportunity to help us thank our volunteers for their loyalty to Skyline Credit Union and their commitment to our community. To our volunteers: your time is our greatest gift, and we thank you for giving it so freely - continue the wonderful work!
